Mercado Aurora: Customer FAQ

Document FAQ-01 | Updated | Effective 1 March 2018 | Owner: Customer Experience

Short answers to the questions customers ask most. Each answer names the policy that holds the full rule.

How do I track my order?

You receive a tracking code by email when your order is shipped. Tracking can take up to 24 hours to show on the carrier's website. You can also see the status of every order under My Orders.

Why did I pay more than one freight charge?

Freight is calculated for each item, based on its weight, size and the distance from the seller to you. An order with several items has one freight charge per item. See POL-02.

My order is late. What can I do?

If your order arrives after the estimated delivery date you automatically receive a voucher: 5% of the item total for 1 to 5 days late, 10% for 6 days or more, plus your freight back if it is 16 or more days late. If it has not arrived 30 days after the estimated date, you can cancel for a full refund. See POL-10.

Can I cancel my order?

Yes, free of charge, at any time before the order is shipped. After it is shipped you can refuse the delivery or return the item. See POL-03.

How long do I have to return something?

7 calendar days from delivery if you changed your mind, and 30 calendar days if the item is defective, damaged or not as described. Some categories, such as cosmetics and furniture, have extra conditions. See POL-01 and POL-11.

Who pays for the return?

Returns of defective items are free. If you changed your mind, the return is free when your item total was R$150.00 or more. Otherwise the return shipping cost is taken from your refund.

When will I get my refund?

The refund is approved within 3 business days of the seller receiving the item. A card refund appears within 1 to 2 statements. A boleto refund is paid by bank transfer within 10 business days.

Can I pay in installments?

Yes, by credit card in up to 24 installments. Up to 6 installments are interest-free on orders of R$100.00 or more. Each installment must be at least R$20.00. See POL-04.

I paid by boleto. Why is my order still not approved?

Boleto payments take up to 2 business days to be confirmed by the bank. A boleto must be paid within 3 business days or the order is cancelled.

Can I use a voucher with another payment method?

Yes. You can combine vouchers with one other payment method. Vouchers are valid for 90 days and cannot be exchanged for cash.

When can I review my purchase?

We email you a review request on the day of delivery or on the estimated delivery date, whichever comes first. You have 30 days to answer. See POL-08.

How do I contact support?
