# Mercado Aurora: Prohibited and Restricted Items

Document POL-09 | Version 5 | Effective 1 January 2018 | Owner: Marketplace Integrity

## 1. Purpose

This policy lists items that cannot be sold on Mercado Aurora and items that can be sold only under conditions.

## 2. Prohibited items

The following must never be listed:

- weapons, ammunition and explosives, including replicas that could be mistaken for real weapons;
- illegal drugs and equipment made for their use;
- prescription medicines;
- tobacco products and electronic cigarettes;
- live animals and products made from protected species;
- counterfeit goods and unauthorised copies of software, music or films;
- stolen goods and items with removed serial numbers;
- personal data, accounts and identity documents;
- items recalled by the manufacturer or a regulator.

## 3. Restricted items

| Item | Condition for selling |
|---|---|
| Alcoholic drinks | Seller must hold a retail licence; delivery requires an adult signature |
| Food and drink | Must have at least 30 days of shelf life remaining on dispatch |
| Cosmetics and perfumery | Must be registered with the health regulator; listing must show the registration number |
| Knives and cutting tools | Kitchen and garden tools only; blade length must be stated |
| Lithium batteries and items containing them | Must be declared so the carrier can apply transport rules |
| Used electronics | Condition must be stated and personal data wiped |
| Children's toys | Must carry the national safety certification mark |

## 4. Size and weight limits

A single item must not weigh more than 30 kg or have any side longer than 105 cm, unless the seller is approved for bulky shipping. Furniture sellers are approved for items up to 100 kg.

## 5. Reporting and removal

Anyone can report a listing. Reported listings are reviewed within 2 business days. A listing that breaks this policy is removed, open orders for it are cancelled and refunded, and the seller is dealt with under section 8 of POL-05.
