4. Bulky items

For items over 30 kg the carrier collects the return from the customer's address. The R$40.00 pickup fee applies only to change-of-mind returns and is deducted from the refund. It is not charged when the item is defective, damaged or not as described.

5. Hygiene

For hygiene reasons, opened cosmetics, perfumes, unwrapped bedding and opened baby feeding items are not accepted as change-of-mind returns in any circumstances.
